

Sprint 3 Plan

Team: AI for Oceans

Release: 1.0

Revision: 5 November 2021

High Level Goal

- Complete the lab pages (from previous website) and datasets page

User stories

- [2] As a researcher, I want a modern homepage to capture my lab's work
- [1] As a research lab, we want to display past research
- [2] As a research lab, I want to credit all my researchers
- [5] As a researcher, I want to allow other researchers to download datasets to complete their research
-
